

India's No. 1 SUV Maruti Suzuki Vitara Brezza adds glamour with enhanced look, AGS option

May 09, 2018

***Sports new glossy black alloy wheels, all-black interiors, refreshed accents and a new colour option of Autumn Orange
Certified for advanced safety ahead of regulations; dual air bags, reverse parking sensors, ABS with EBD and high speed alert as standard***

New Delhi: Maruti Suzuki India Limited (MSIL) today introduced the blockbuster SUV Vitara Brezza with a new, enhanced look, and the convenience of the acclaimed Auto Gear Shift (AGS) as an option.

The exterior and interior features have been given a makeover, enhancing the bold and sporty character of the country's most popular SUV. The new alloy wheels, in glossy black finish, add sportiness to the SUV's muscular wheel arches. To complement the premium look, the front chrome grille and back door chrome garnish have been made standard across all variants. The urban compact SUV's interiors have been refreshed with an all-black colour scheme and complementing accents.

MSIL's revolutionary two-pedal technology, Auto Gear Shift, is now being offered on Vitara Brezza. It has been fine-tuned for an optimum performance on Vitara Brezza, based on rigorous research of various driving patterns.

Dedicating the refreshed Vitara Brezza to customers, **Mr. R S Kalsi, Senior Executive Director (Marketing and Sales), MSIL** said: "*Vitara Brezza has been a game changer for India's SUV market. We have enhanced its allure to meet aspirations of our young customers. They now have the option of Auto Gear Shift, the acclaimed two-pedal technology, for enhanced convenience. AGS has been very well accepted by customers, and sales of AGS variants in the Maruti Suzuki portfolio have tripled in three years. By making this technology available on Vitara Brezza, together with a refreshed design, we expect India's number one SUV to become even more attractive.*"

Leading the way: Glamorous, Sporty and Stylish Vitara Brezza

- Cumulative sales of around 2.75 lakh units since launch
- 2017-18 sales at 148,462 units (up 36.7%)
- Average monthly sales : over 12,300 units
- Top variants (Z/Z+) contribute 56% of total sales
- Sporty and stylish looks have made Vitara Brezza top choice among customers

Vitara Brezza now complies with advanced safety regulations, including pedestrian safety, ahead of regulation timelines. The refreshed Vitara Brezza comes loaded with new safety features comprising ISOFIX child restraint system, high speed warning alert, dual air bags, ABS with EBD, reverse parking sensors and front seat belt pre-tensioners and force limiters. These features have now been made standard across all variants. Vitara Brezza is already certified for offset and side impact crash tests since its launch.

Vitara Brezza with AGS will be offered in VDi, ZDi and ZDi+ variants.
