**Maruti Suzuki's Service Campaign for S-Cross**

**New Delhi, May 19<sup>th</sup>, 2016:** Maruti Suzuki India Limited will undertake a Service Campaign to inspect a suspected fault and replace a brake part in 20,427 units of S-Cross. These vehicles were manufactured between April 20<sup>th</sup> 2015 and February 12<sup>th</sup>, 2016.

Owners of the impacted vehicles will be contacted by dealers.

Service Campaigns are undertaken globally by automobile companies to rectify faults that may potentially cause inconvenience to customers.

This Service Campaign applies to both the variants of S-Cross (DDiS 200 and DDiS 320).

The inspection and replacement will be done free of cost for the customer. S-Cross owners can check the NEXA website [www.nexaexperience.com](http://www.nexaexperience.com) to ascertain if their vehicle is impacted.

The customer is requested to fill in the chassis number (MA3 followed by 14 digit alpha-numeric number) on the computer screen. The chassis number is embossed on the vehicle ID plate and is also in the vehicle invoice / registration documents.

Customers may also contact the nearest Maruti Suzuki dealer workshop to ascertain if their vehicle is impacted.
