Making of an Icon

*Cumulative sales of Alto 800 and Alto K10.

Presenting the new Alto 800

The best moments are the moments of freedom. Now, experience the improved engineering with stunning design of the new Alto 800, which gives you the freedom to go anywhere and anytime with your loved ones.

Improved Mileage

As certified by test agency under rule 115 of CMVR.

*For Alto 800 STD variant

#Available in Lxi

Drive Better. Drive Safer.

The new Alto 800 comes with High Thermal Efficiency Gasoline Engine using Electronic Throttle Body for a peppier and smoother driving experience, as well as better fuel efficiency. Alto offers enhanced safety features like driver-side airbag (O) and improved braking performance from the base variant itself. The car has truly been engineered keeping in mind your comfort and safety.

EFFICIENT RESPONSIVE ENGINE

DRIVER SIDE AIRBAG

(O) - Optional Safety Variant is available across the range, starting from the base variant.

REAR DOOR CHILD-LOCK

RIGHT AND LEFT HAND ORVM

The rear child-lock and ORVMs reassure you for a more secure drive.

Stylish Interiors

New designer seat and door trim fabrics, ergonomically designed rear-headrest and spacious interiors with classic grey colours give it an air of sophistication, making it a universal favourite.

RAISED REAR HEADREST FOR COMFORTABLE SEATING

More Space For Happiness

With an increased Overall Length and added utility spaces, the new Alto 800 comes with more space for you and your loved ones.

Aero Edge Design

The new aerodynamic and edgy design brings a fresh sporty appeal to the new Alto 800. Its sleek design packs a punch with bold new bumper grille and trendy headlamps. Addition of the front fog lamp profile enhances the sharp features.

Technology Meets Convenience

Now listen to your favourite songs on the integrated music system or experience the convenience of keyless entry and power windows. The new Alto 800 comes with an array of features that will make you want to take it for a long drive.

More Style. More Colours.
