Sub: Capacity Addition

Dear Sir(s),

In continuation to our letter dated 12th January 2026, wherein the Company informed that the Board had granted approval to acquire land at Khoraj Industrial Estate from Gujarat Industrial Development Corporation, we would like to further inform that the Board, at its meeting held today, has approved addition of first phase of capacity at this site.

The information, as required under the SEBI Listing Regulations, is given hereunder:

Existing capacity	The total existing capacity is around 24 Lac units per annum in Gurugram, Manesar, Kharkhoda and Hansalpur, with a capability to produce 26 Lac units per annum. This includes the units produced at erstwhile Suzuki Motor Gujarat Private Limited which has been amalgamated with the Company.
Existing capacity utilization	The existing capacity is fully utilized.
Proposed capacity addition	The Board today approved addition of first phase of capacity of 2,50,000 vehicles per annum at Khoraj Industrial Estate.
Period within which the proposed capacity is to be added	This first phase of capacity of 2,50,000 vehicles per annum is expected to be added by 2029 subject to market conditions.
Investment required	INR 10,189 Crores. This includes investment for the first phase of car manufacturing plant having an annual manufacturing capacity of 250,000 units and some common infrastructure and facilities for future plants.
Mode of financing	Internal Accruals
Rationale	Growth in market demand including exports.

The board meeting commenced at 12:30 p.m. and concluded at 2:15 p.m.

Kindly take the same on record.

Thanking you,

For **Maruti Suzuki India Limited**
