OVNED BY YOU. DESIRED BY ALL.

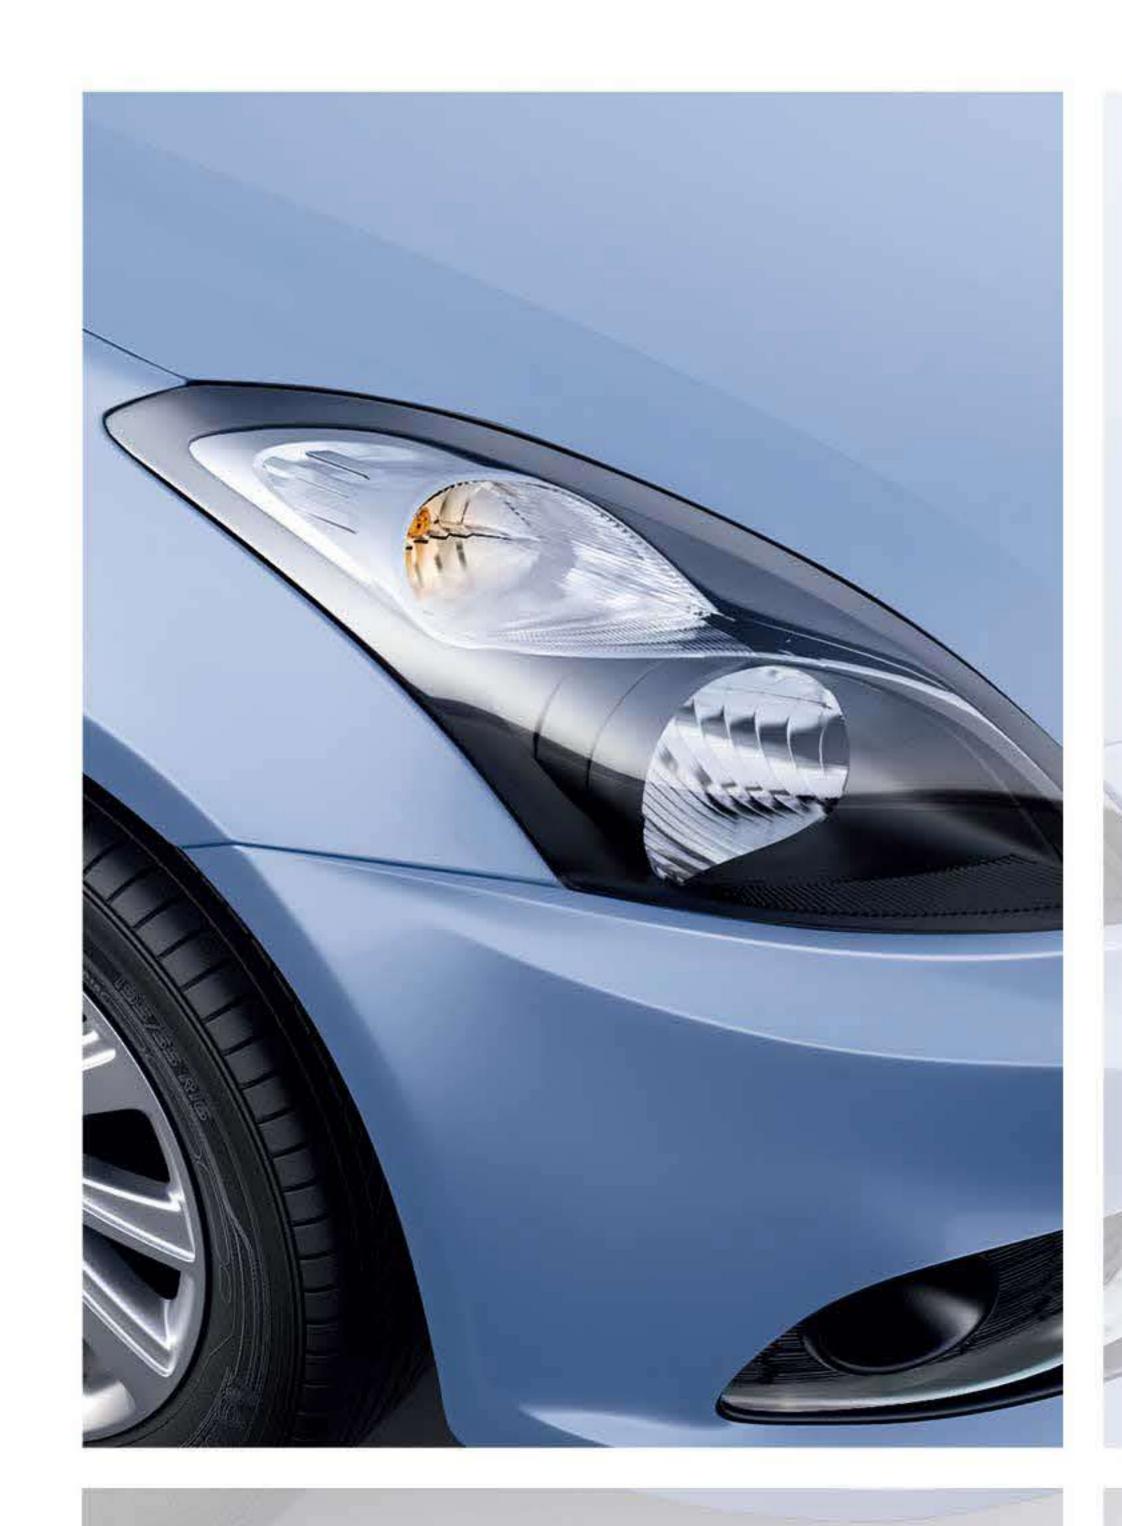

Way of Life!

Motion themed alloy wheels

The alloy wheels boast a new-age pinwheel style that expresses the dynamism of the car.

Front fog lamps with bezel ornament — Chrome

Showing the road ahead, the fog lamps act as a second pair of eyes. The black matte-finish around the fog lamps lends a different look.

Headlamps with New Look

Powerful halogen headlamps, stylishly designed in a fine shape, pierce the darkness like a sharp knife. They give the car's face a perfect symmetry.

EVERYTHING YOU DESIRE IN THE ALL - NEW DZIRE

Electronically Foldable ORVM

Be it a freezing winter night, a blazing summer afternoon or a rainy day, you don't have to open the window to adjust the Outside Rear View Mirrors. You can do it from inside, with just the push of a button.

Reverse Parking Sensor

Your parking assistant that will get you right into the spot without having to look twice. Just ease inside the parking area with this handy new feature.

Front grill — Chrome

Like a perfect pout, the signature front grill invites second glances. Its metallic shine gives it an ultra-modern look.

Engine Push Start / Stop

It gives your journey a smooth start and

an even smoother finish.

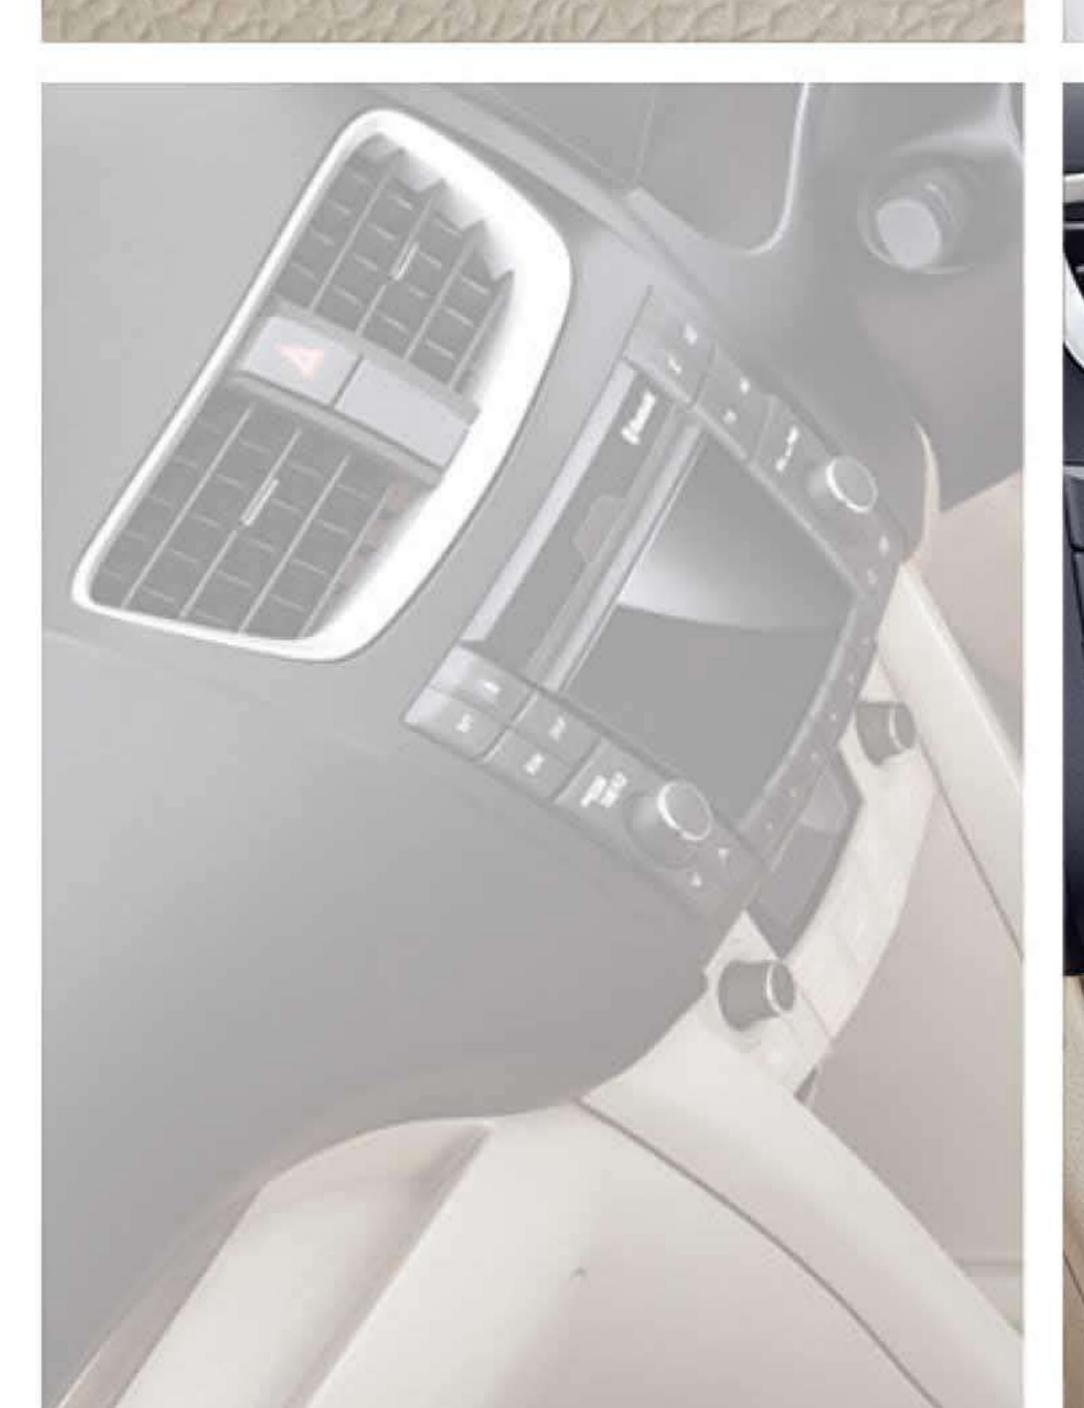

DESIRABLE INSIDE - OUT

Touches of Finesse

Chrome-finish elements have been added to the louvers and door handles while wooden-grain panels extend from the instrument panel to the door, all to give an elegant finish to the interiors.

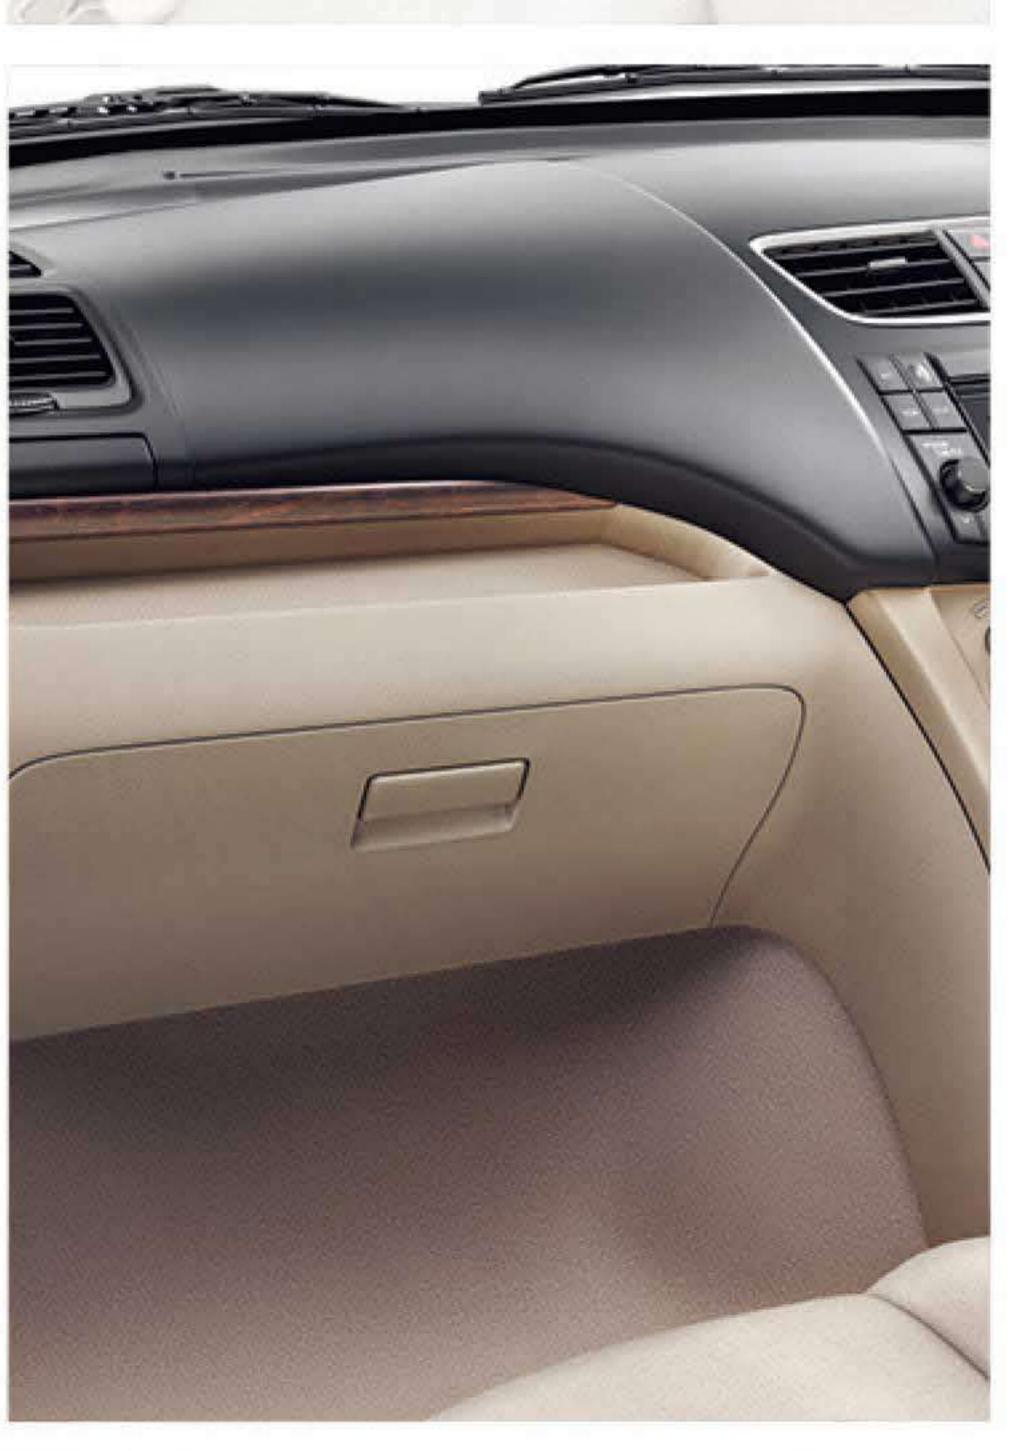

Audio with Bluetooth

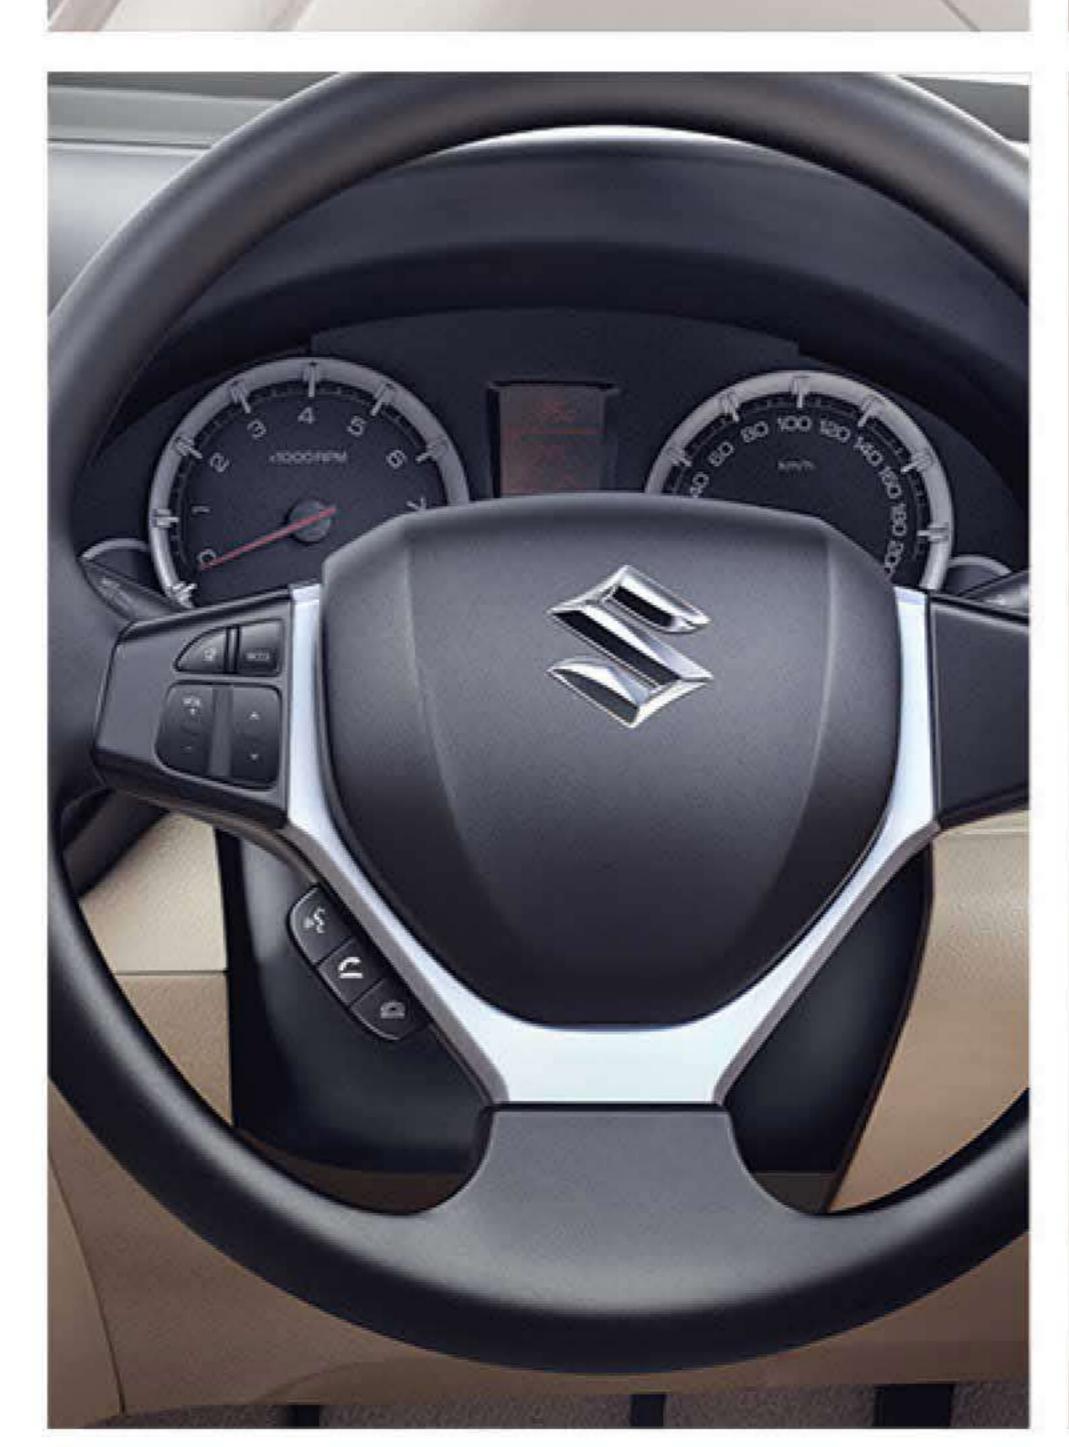

Not just for hands-free calling, the Bluetooth helps you enhance the audio experience by connecting your phone's music collection to the car's built-in speakers.

Wooden printed dashboard

The wooden print look provides a touch of class to the dashboard. The overall aesthetics enhance the level of indulgence.

Bluetooth control on steering

This feature gives you the freedom to attend calls without taking your hands off the steering wheels.

Clutch free driving has never been more Desirable

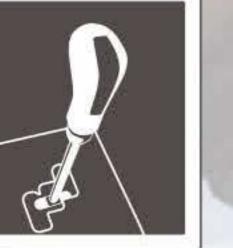

The Maruti Suzuki Dzire brings to you the revolutionary Auto Gear Shift (AGS) Technology for the first time in diesel variant. India's favorite sedan is now more comfortable than ever before. No clutch pedal, excellent fuel efficiency and most importantly, the reliability that comes with the name, Dzire AGS is a car that's surely going to change the way you drive. For the car that has everything you desire, there's now more.

Benefits of Auto Gear Shift Technology

BEST-IN-CLASS MILEAGE

D13A diesel engine

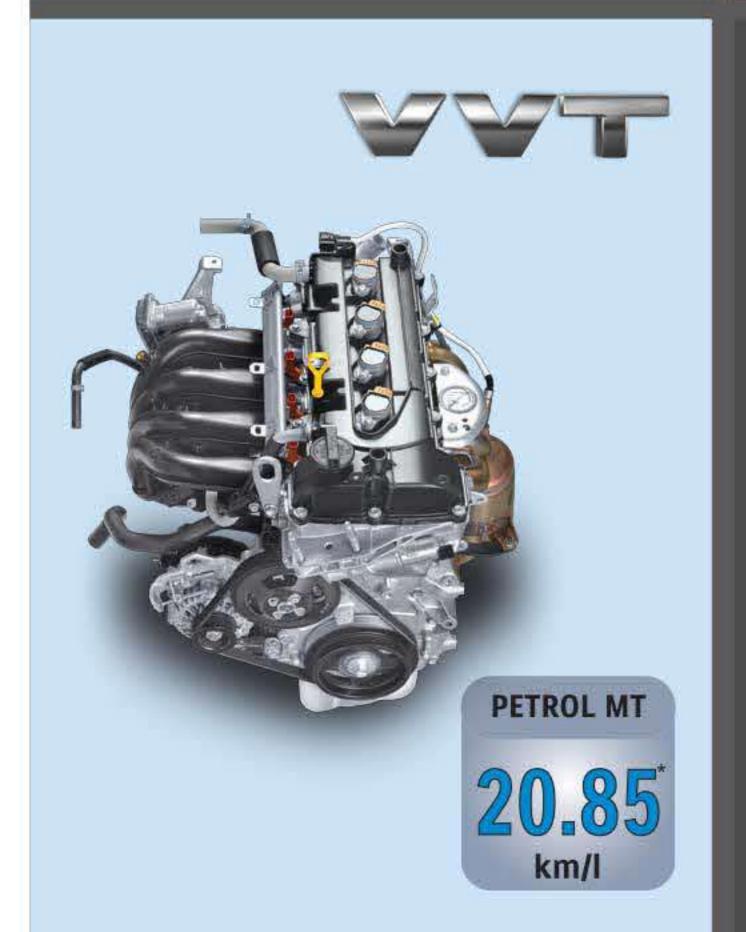

This diesel engine is one of the most evolved and refined ones around. The D13A incorporates a common-rail injection system and an inter-cooled turbo charger for superior performance and efficiency.

Efficient braking system

The new 15" ventilated front disc and rear drum brakes, along with Brake Assist System (BAS), give greater braking efficiency even in emergency situations.

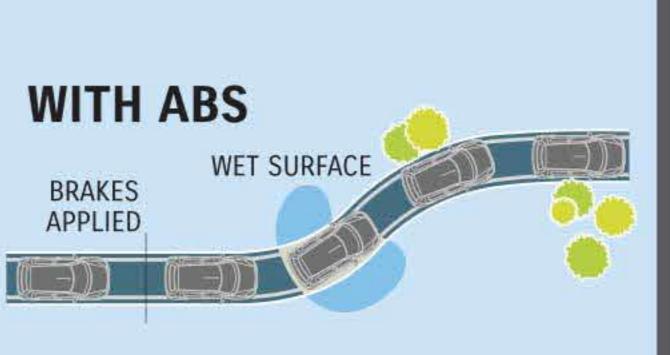

*As certified by Test Agency Under Rule 115 of CMVR 1989.

K-12 series petrol engine

The new K-12 engine comes loaded with the impressive Variable Valve Timing (VVT) technology. This mechanism orchestrates valve opening & closing in a way that gives better power and efficiency, smooth acceleration and a quicker response.

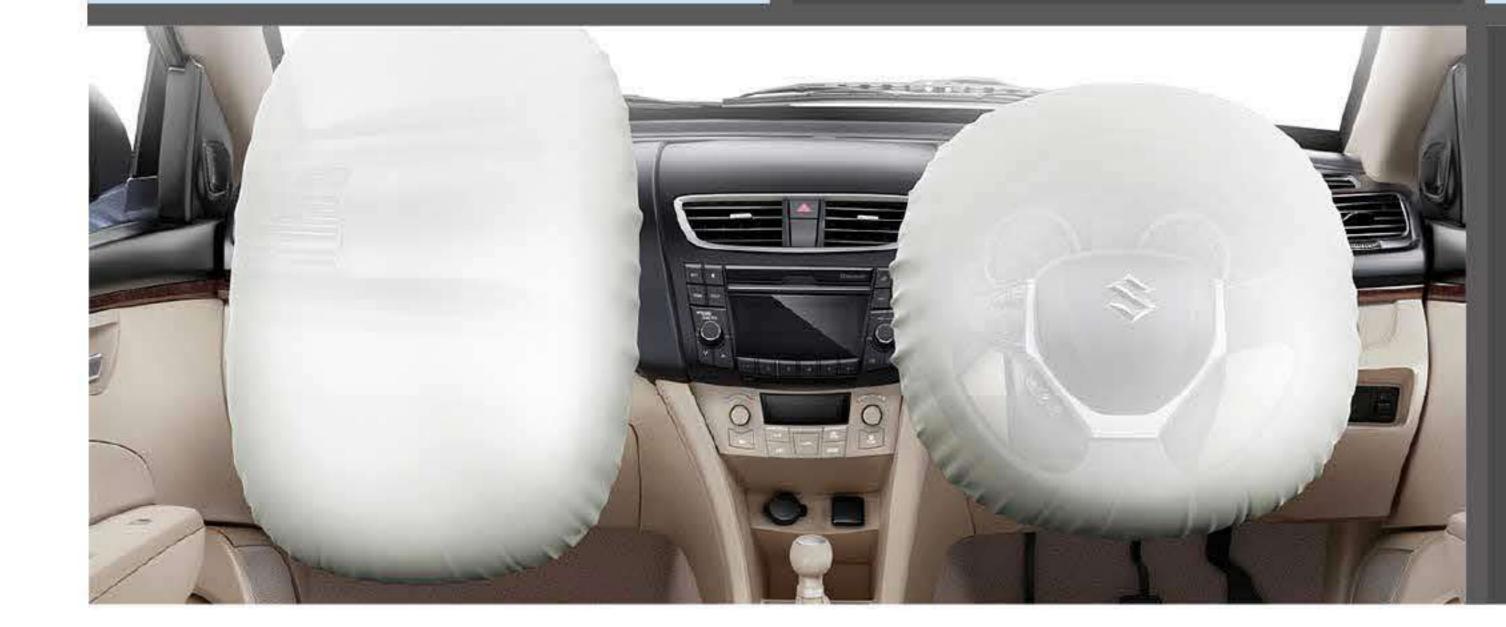

WITHOUT ABS

ABS The

The Anti-lock Braking System (ABS) with Brake Assist and Engine Drag Control (EDC), prevents skidding and ensures a minimum stopping distance even on the most slippery roads.

ABS & EBD now available in

Dual Airbags*

Follow all your desires without thinking twice. Equipped with dual airbags, Maruti Suzuki Dzire promises to keep you safe in all your pursuits.

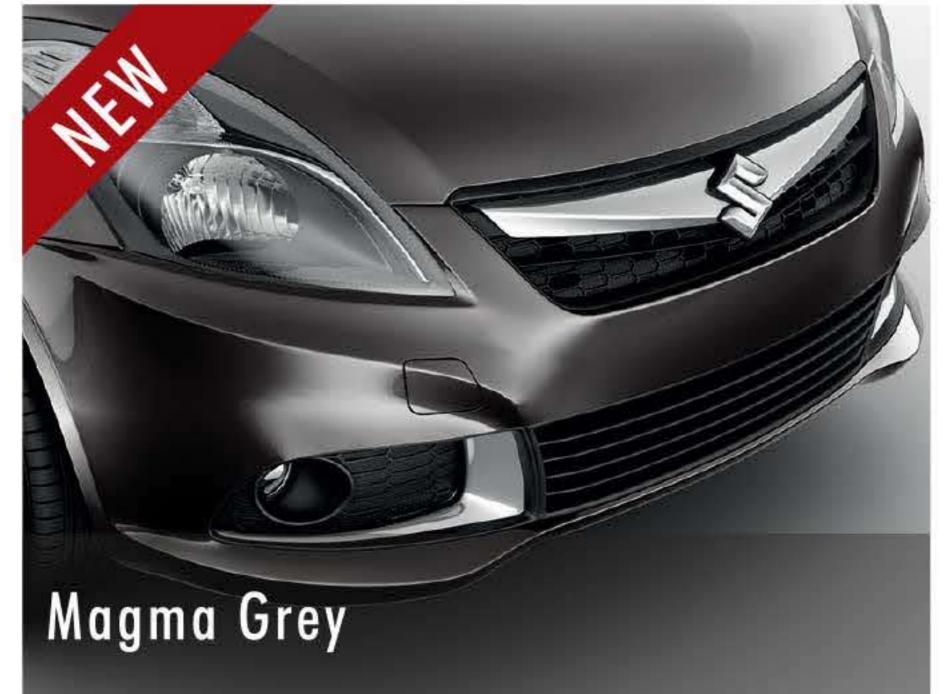

*Dual Airbags and ABS with EDB are part of the Safety variant/ available as add-on safety package.

A COLOUR FOR EVERY DZIRE
