Maruti Suzuki achieves record exports in CY 2022; dispatches over 2.6 lakh vehicles globally

- *Aligned to Government of India's 'Make in India' initiative*
- *Dzire, Swift, S-Presso, Baleno and Brezza were the highest exported models by the Company*

New Delhi, 3 January 2023: Riding high on customer appreciation earned globally, Maruti Suzuki India Limited registered record exports of 263,068 units in CY 2022. This is an increase of 28% over the previous record of 205,450 vehicles dispatched overseas in CY 2021.

Commemorating the milestone, **Mr. Hisashi Takeuchi, Managing Director & CEO, Maruti Suzuki India Limited** said, *"Crossing the 2 lakh milestone in exports for the second consecutive year signifies the trust, quality, reliability, performance, and affordability of our products. This achievement further aligns with our strong commitment to the Government of India's 'Make in India' initiative to manufacture products to delight global customers."*

He added, *"We are thankful for the support from our parent company Suzuki Motor Corporation to enable us to leverage a wider distribution network across the globe. Further, adding more models to our portfolio helped sustain excitement in the export markets."*

Interestingly, the Company exported in CY 2022 more than double the volume, it exported in pre-COVID year (2019).

Maruti Suzuki started exports in FY 1986-87, with the Company's first consignment to Hungary. Maruti Suzuki today exports to around 100 countries.
