Media Release

Maruti Suzuki introduces All New Brezza S-CNG

- First S-CNG powered compact SUV packed with premium features such as an electric sunroof, alloy wheels & 7" SmartPlay Pro infotainment system
- Delivers excellent fuel-efficiency of 25.51 km/kg*
- Available in LXi, VXi and ZXi variants
- Maruti Suzuki now offers 14 models with factory-fitted S-CNG technology

New Delhi, March 17th 2023: Further strengthening Maruti Suzuki's green mobility vision for India, the Company has launched the All New Brezza with S-CNG technology for today's cool new generation. The All New Hot and Techy Brezza S-CNG is designed to offer an eco-friendly motoring experience to customers while being loaded with features such as an Electric Sunroof, Cruise Control, SmartPlay Pro Infotainment System with wireless Apple CarPlay and Android Auto, Keyless Push Start and more.

Mr. Shashank Srivastava, Senior Executive Officer, Marketing & Sales, Maruti Suzuki India Limited, said, "The Brezza has been a game-changer for Maruti Suzuki. It is an SUV that has redefined the compact SUV segment with its design and performance. We are confident that the Hot and Techy Brezza will once again disrupt the segment with the S-CNG version. It will be the perfect choice for people looking for a sustainable, safe and high-performance city-bred SUV. At this stage, it is also worth mentioning that in

Maruti Suzuki Arena, S-CNG models account for 24% of overall sales. And CNG sales for hot-selling models such as the Ertiga and WagonR account for as high as 57% and 41% of total model sales, respectively. Moreover, with the Government's initiatives aimed at the proliferation of CNG pumps across the nation, these numbers are likely to see a surge in the coming years."

The Hot and Techy Brezza S-CNG is powered by the Next-Gen K-series 1.5L Dual Jet, Dual VVT engine with a max power output of 64.6kW@5500rpm and 121.5Nm of peak torque @4200rpm. It has an excellent fuel-efficiency rating of 25.51 km/kg*. The Brezza S-CNG is available with a 5-speed manual transmission, in three different variants - LXi, VXi and ZXi, along with dual-tone colour options.

Backed by Maruti Suzuki's proven and tested factory-fitted S-CNG technology, India's most loved compact SUV, Brezza is set to rule the hearts of today's cool new generation. It is loaded with customised CNG-specific features such as Integrated Petrol and CNG fuel lid, dedicated CNG drive mode, digital and analogue CNG fuel gauges, and an illuminated fuel change over switch. The neatly integrated CNG cylinder comes with an aesthetic cover and provides overall ease of use.

With the launch of the All New Brezza S-CNG, Maruti Suzuki now has 14 CNG offerings. All cars sold through Maruti Suzuki Arena are now available with the option of S-CNG technology, bolstering our commitment towards a cleaner and greener environment.
