

## **Press Release**

### **Maruti Suzuki sales in February 2023**

**New Delhi, March 1, 2023:** Maruti Suzuki India Limited sold a total of 172,321 units in February 2023. Total sales in the month include domestic sales of 150,823 units, sales to other OEM of 4,291 units and exports of 17,207 units.

The shortage of electronic components had a minor impact on the production of vehicles, mainly in domestic models.

The Company took all possible measures to minimise the impact.

The sales figures for **February 2023** are given below:

| Category: Sub-segment                              | Models                                               | February       |                | April-February   |                  |
|----------------------------------------------------|------------------------------------------------------|----------------|----------------|------------------|------------------|
|                                                    |                                                      | 2023           | 2022           | FY 2022-23       | FY 2021-22       |
| A: Mini                                            | Alto, S-Presso                                       | 21,875         | 19,691         | 221,329          | 196,271          |
