Sub: Recall of 11,177 vehicles

Dear Sirs,

The Company has announced to recall 11,177 Grand Vitara vehicles manufactured between 8th August, 2022 and 15th November, 2022.

It is suspected that there is a possible defect in Rear Seat Belt mounting brackets ("Parts"), which in a rare case, may loosen in the long run and impact its functionality.

Vehicle owners will be receiving communication from Maruti Suzuki authorized dealer workshops for inspection and replacement of the affected parts, free of cost.

Kindly take the same on record.

Thanking you,

Yours truly,

For Maruti Suzuki India Limited

Sanjeev Grover
Executive Vice President
& Company Secretary
