**Sub: Recall of 7,213 vehicles**

Dear Sirs,

The Company has announced to recall 7,213 Baleno RS vehicles manufactured between 27<sup>th</sup> Oct, 2016 and 01<sup>st</sup> Nov, 2019.

It is suspected that there is a possible defect in Vacuum Pump (“Parts”), which assists the brake function. In a rare case, the affected vehicle may require increased effort in brake pedal application.

Affected vehicle owners will be receiving communication from Maruti Suzuki authorized dealer workshops for replacement of the defective parts, free of cost.

Kindly take the same on record.

Thanking you,

Yours truly,

*For* **Maruti Suzuki India Limited**

Sanjeev Grover  
Executive Vice President  
& Company Secretary
