Way of Life!

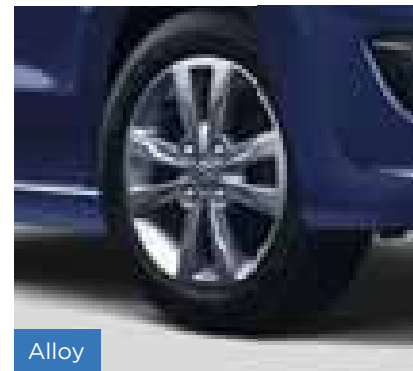

Make
everyday
Great.

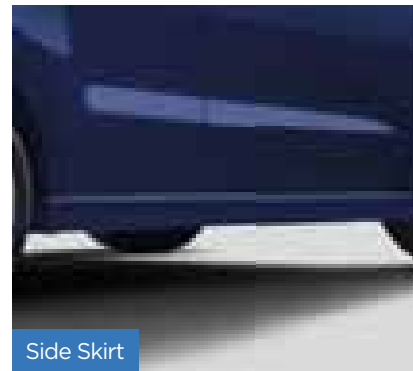

WAGONR

great in design

Greatness is found in attention to details. Be it the stylish alloys, refined side skirts or a racy spoiler, the WagonR is designed with utmost attention. With a tall-boy design and exceptional elegance, WagonR is surely India's favourite car.

great in comfort

Greatness comes from within. Make all your rides pleasant with an adjustable steering, power windows and the superior Auto Gear Shift technology. The comfortable seating posture of WagonR provides you with an excellent view of the road and surroundings. Now, make every ride great with the wide opening doors paving way for a spacious entry into the plush new interiors of WagonR.

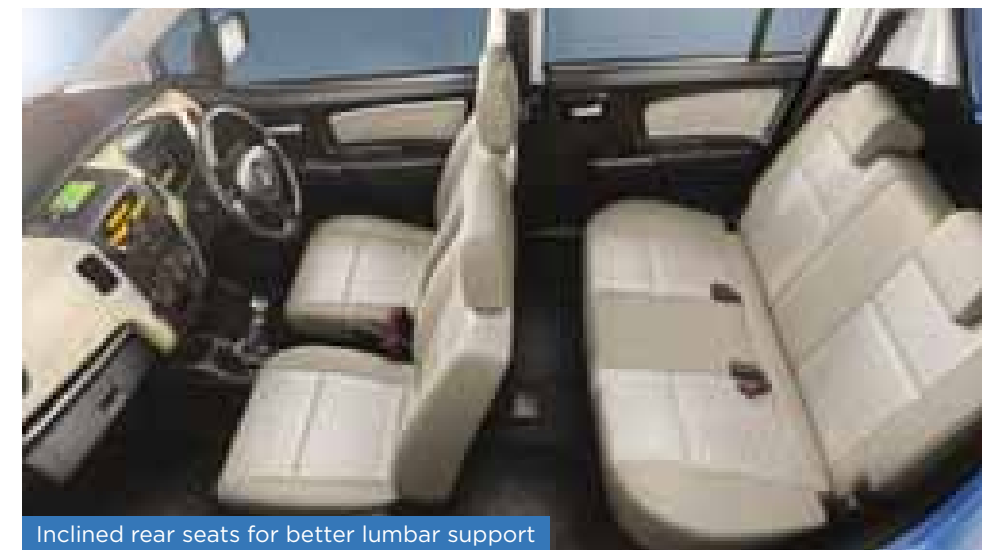

Digital Fuel Indicator with double trip meter and gear shift Indicator

Wide opening doors for easy entry and exit

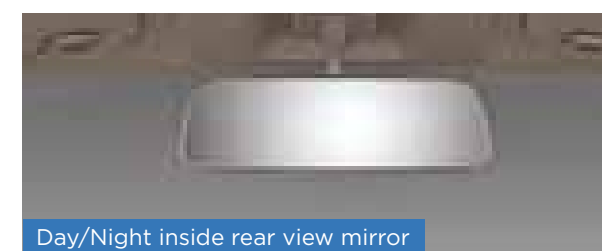

Boot Space with rear parcel tray for convenient storage

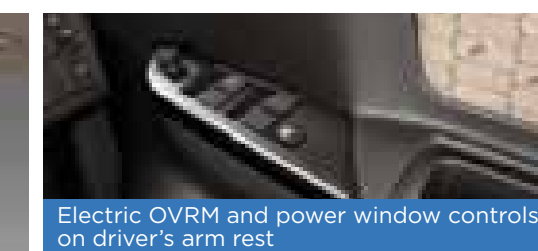

Inclined rear seats for better lumbar support

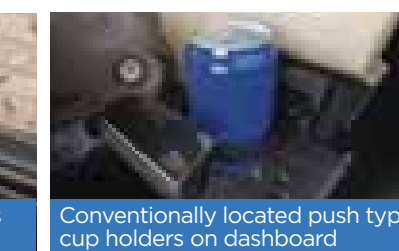

Foldable rear seat for extra storage

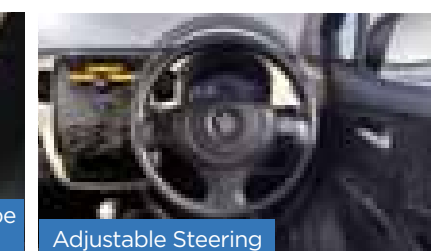

Day/Night inside rear view mirror

Electric OVRM and power window controls on driver's arm rest

Conventionally located push type cup holders on dashboard

Adjustable Steering

The superior Auto Gear Shift technology ensures delightfully smooth clutch-free drives. Now, drive with ease through the busy roads and congested lanes. With an efficient mileage of 20.5 km/l[#], the AGS technology makes every ride great! In addition, you can now switch between the Automatic and Manual mode on the drive. This revolutionary AGS technology complements the performance of the powerful 1.0L K-series engine of WagonR.

With a powerful pickup and relaxing two-pedal drive, greatness surely comes from within.

Rear wiper, washer, and defogger for enhanced visibility

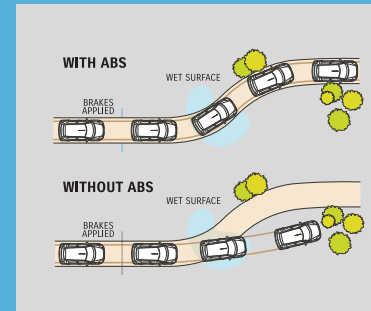

Energy absorbing body structure for safer drives

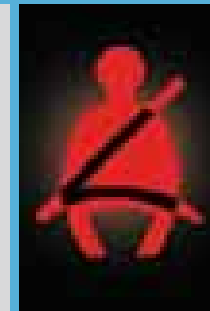

safety

With an energy absorbing body structure, the WagonR provides you with great yet safe drives. Coupled with the ABS and Dual Airbags, it makes sure that you can enjoy every drive without having to worry about your safety.

Anti-lock braking system for slippery surfaces

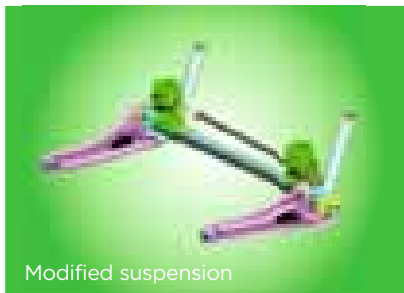

Seat belt indicator

WagonR Green comes with a State-of-the-art factory fitted CNG technology with corrosion free components, compliant with the BSIV norms. The advanced Intelligent Gas Port Injection system (i-GPI) coupled with the Dual ECU system gives you a smooth and powerful drive.

i-GPI System injects CNG into different ports of the engine near the combustion chamber, resulting in a homogenous combustion, paving way to the prime performance of WagonR. The Dual ECU system delivers right amounts of fuel for the optimum performance. And, the corrosion free components ensure a leak proof functionality. In addition to all this, WagonR Green gives you an excellent efficiency of 26.6 km/kg*. With high levels of reliability, safety and convenience, the WagonR Green is the choice for the greater good!

CNG is the least expensive fuel option available, and gives you the lowest running cost compared to conventionally fuelled cars.
