SERVICE SUPPORT

1. **What precautions should be taken while cleaning my Smartplay Infotainment System?**

- Avoid spraying/spilling of cleaning solutions, perfumes, car fresheners, beverages, chemicals or any liquids on the touch screen surface.
- Avoid usage of paint or color, sticky or strong alcohol based spray, lotion or liquid. This may cause permanent damage to the system.
- Avoid usage of hard or sharp objects like pen, key, USB stick, etc. to touch the screen, as it can cause scratches on the screen surface.
- Use a soft, clean and dry cleaning cloth to clean the touch screen surface. If required, use a lint-free cloth damped with a cleaning solution such as isopropyl alcohol, or an isopropyl alcohol and water solution ratio of 50:50. Be sure to follow the solvent manufacturer's precautions and directions.

2. **What is the purpose of using a security PIN for my Smartplay Infotainment system?**

Security pin is used to avoid un-authorized usage of the system. If a Security PIN enabled Smartplay Infotainment System is disconnected from battery, it will not be functional unless a valid Security PIN is entered after battery reconnection.

3. **I forgot the Ssecurity PIN for my Infotainment System. How do I recover the PIN?**

Please contact your Maruti Suzuki dealer to get the system unlocked.

4. **What is the standby mode and how to switch off the Infotainment System completely?**

In standby mode, the display is switched off and audio is muted. System is switched off automatically when you switch off the vehicle.
